**NEW PRODUCT
ANNOUNCEMENT**

NEXUS[®] BRACKET ADAPTERS

For angles and columns

**8" Column
Adapter**

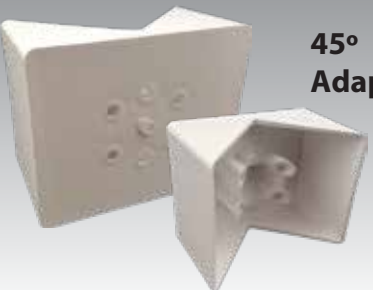

FC3422 +W, T, A

**22.5°
Adapter**

FC3420 +W, T, A

**45°
Adapter**

FC3421 +W, T, A

Designed to add additional support when mounting Nexus[®] rail brackets to angled or curved surfaces. The 3 most common adapters; 8" column, 22.5° and 45° are now available for all Nexus[®] railing systems.

Makes installation cleaner and faster because there is no need to cut angles like using the previous Nexus[®] Block Adapters.

Packaged in 4 piece kits with screws; 10 kits per box.

Made of strong, durable injection molded PVC and available in White, Tan and Adobe.

Available DIRECTLY from Waymark!
