

**Not all Vinyl Is
Created Equal!**

Homeland® manufactures the toughest PVC profiles with the most advanced UV protection under the sun, our ACCU-Shield® formulation.

ACCU-Shield is our protective outer layer engineered to significantly reduce oxidation and the damaging effects of the sun's ultraviolet rays. Even in harsh climates, ACCU-Shield protects the color and sheen of our products for a longer period of time. Simply put, there is no better protection under the sun than ACCU-Shield.

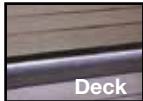

Don't forget accessories...

Homeland® and Waymark® work hand in hand to design our products to work as a **system**, from our precision fit designs to our color matching. Homeland and Waymark are "the perfect match" !

Rich In Color... Natural In Look

Homewood® is Homeland® Vinyl's exclusive blend of colors that can redefine a simple backyard into a beautiful oasis. Our vast pallet of pleasing colors with random variegated patterns are inspired by nature and engineered by Homeland. This unique blend more closely emulates the natural look of wood and will complement any building exterior. Eliminate the exhausting upkeep and usual limitations of wood with a freshly painted appearance that lasts for years.

Available in Homeland's Fence, Deck, and Rail profiles. Mix and match from our Homewood collection to bring a unique style and taste to any backyard paradise.

Our Homewood blends are richer in color and more natural in look than other vinyl offerings.

Mocha Walnut

The Natural Selection for the most demanding homeowners who are wanting the rich, natural look of wood without any of the rotting, splintering and high maintenance that comes with wood.

Green Teak

Mocha Walnut

Homeland's Homewood colors are variegated with irregular patterns and streaks. A randomized streaking process makes every piece different. Although each named Homewood color begins with a controlled base color, due to the randomness of the streakers, even the background color appearance will vary throughout and between runs. Please be aware of this before ordering and installing Homewood. Information and Best Practices for purchasing and installing Homewood colors can be found at:
